

The St Andrew Society of Sarasota, Florida,

The Burns Club of St Andrew, which is part of The St Andrew Society of Sarasota, Florida, celebrated their Burns Supper on January 24th at the Oaks Country Club in Osprey, Florida. There were 100 guests in attendance and the main feature was the Immortal Memory given by RBANA President **Frank Campbell**. Frank, dressed as Burns, told of Rabbie's poetry and loves. He even reminded a few of the ladies in the audience of times they were together in Scotland in the late 1700's. Most of the ladies seemed to have forgotten about it or at least pretended they had in front of their husbands! A test on Burns was given to the audience and during the answer period Frank admitted that indeed Highland Mary Campbell was his sister! What we had long suspected was true!
In all seriousness we had a grand time with poetry and some Scottish Country Dancing.
