

Janet Mann

It is with deep regret, and sadness, that we advise of the passing of Janet Mann. She lost her battle with Congestive heart failure on February 3, 2016, surrounded by her family, after what was a hard and brave struggle. The Funeral took place in their home town of London Ontario, on February 9th 2016.

Janet and her husband Jack were just 2 months short of their 60th wedding anniversary.

Janet & Jack were original and founder members of NAAFB and RBANA. Janet was a past secretary/treasurer, when her husband, Jack, was President.

They were members of the former London Ontario Burns Club and were currently individual members of RBANA. Jack is an Honorary President of RBANA.

Janet will be missed by her many friends in RBANA.

If, there is none, -she made the best of this."
